Summary of Report for Web Site (50 words or less):

I attended the AARC Leadership Workshop in Dallas Texas on April 25. I learned a lot of important information about projects the AARC is working on as well as some important tips our state society should consider. The meeting was full of examples of AARC projects going on to meet their Mission of Advocacy, Professional Excellence, and Regulatory Affairs. Increasing membership is a priority at all levels – State Society’s should reach for a goal of >50% membership. Presently there are 2,801 licensed RT in Wisconsin – with 706 AARC members our rate is 25%.
