Summary of Report for Web Site (50 words or less)

- President Spindler was not able to attend the AARC International Congress in San Antonio, I was honored to attend in his absence. Greg will attend next year's Congress instead.
- While at the AARC I attended a "State Society Administrator's meeting" that was sponsored by the Florida Society. I met a number of Presidents and President Elects from other States and heard a lot of good advice. A couple of hot topics were recommendations to have insurance and bonding for the State Society. Representatives from other states were very interested in hearing about our combined yearly conference with Minnesota. I attended many great lectures, poster presentations, and vendor exhibits. Deb Hendrickson did a super job chairing the Sputum Bowl competition. Wisconsin was well represented in the competition by our student team from Lacrosse and practitioner team from UW. Congratulations to the UW team for making it to the final four!!
