Summary of Report for Web Site (50 words or less):

Put a request out for stories/experiences from R.T's to post on the website- only received 2 responses. Put out a request for what departments are doing for R.T. week and only received 1 response. Attended District 1 event and set up a booth. Spoke with many of the attendees and found a large number of them did not know there was a website. Is this information in the new membership packets? if not maybe it should be added. I plan to put out a mailing to current members about the website. I also sent information to be put on the website about World COPD day and the great American smokeout but I may have gotten the info to Kitty to late, I never saw it posted to the site.
