

WSRC Committee/Officer/Report

Committee/Officer: Disaster Response and Preparedness

Person Completing report: Bob Milisch

Date: 1-22-09

Summary of Report for Web Site (50 words or less):

The Mass Casualty Ventilation drill is in the final stages. 80 hospitals are participating on the drill. The committee will meet on February 25th to analyze the data and formulate action plans.

To date over 300 ventilators have been purchased and distributed to hospitals throughout the state. Hospitals with less than 60 ventilators per year have no received ventilators.

1004 therapists have been trained via the online training program. The 15 unit non-respiratory personnel training program is available to any healthcare personnel in the state and is available at www.westerntc.edu/mcvnrp . Please promote the site at your institutions.
