

## WSRC Representative Report

**Person Completing report:** Mary Bandler  
Education Chair

**Date:** Nov 8, 2007

Summary of Report for Web Site (50 words or less):

The first annual poster was a wonderful success. We had four great entries. The winner of the contest was Lynn Lenz and her group. She had very interesting data regarding trach protocols. We want to thank submitters for their effort and hard work as well as willingness to share all the great research going on out there. Lynn and her group will be receiving \$1000.00 for the International Conference in December. I also want to thank Marshall Dunning, Dave Cooksey and Jackie Schoener for assisting in the judging of the entries. Future poster contests should include a practitioner division and a separate student division so judging will be equitable.
