Summary of Report for the Web Site (50 words or less)

The Home Care Committee held our Evening Seminar on 10-18-07. We had 32 attendees out of the 48 that had signed up to attend. The Evening consisted of:

Michelle Mercure speaking about the ALA and what has it to offer to RT's

Laura Grennier presented the Harmon O2 Cats and their Program and then

Dr. Pamela Wilson spoke about COPD and the Issues in 2007. This was a Free seminar and we have been granted 1.0 CRCE's from the AARC.

Our Expenses:

Color Copies of the Brochure	140 copies X .10cents/each	\$14.00
Mailing of Brochures	75 copies X 0.41 cents	\$30.75
Mileage for Dr. Wilson	160.28 miles X 48.5 cents	\$77.74
Honorarium for Dr. Wilson		\$500.00
Food at the Rock Bottom		\$878.38
	TOTAL	\$1500.87

We had 48 people rsvp to attend the seminar but only 32 actually attended. When had the 48 attendees we were sure we would go over our Budget from the Board of 1500.00, so we called PJ and Dave asked them to OK an additional \$500.00. It turns out we did not need the additional money only 87 cents. So, we were able to stay pretty much within our Budget.

The attendees had great comments and appeared to be interested in the topics. Something to note - most of the attendees are not members of the WSRC/AARC. Several commented that if we had more seminars that were a Half Day or One Day Seminars they probably would attend and consider joining. We still have a way to go on members. The on-going issue.
